RESUME OF THE 1970 ANNUAL TOWN MEETING

The Annual Town meeting was opened March 10, 1970 at 9:10 a.m. Moderator Kendall Chase pro-tem presiding.

The warrant was read and a motion was made by Willis A. Baker to postpone articles 2 through 23 until Tuesday evening March 17, 1970 at 7 p.m. This motion was put to a vote and carried.

The moderator then declared the polls open for voting and the ballot clerks proceeded to fold the ballots. The ballot clerks were: Francis Allen, Salma Atkinson, Nellie Averill and Estelle Dearborn.

The moderator declared the polls closed at 6:15 p.m.

The ballots were tallied and the following officers were elected.

Selectmen for 3 years Richard Sanborn; Selectman for 1 year Earl Arquette; Town Clerk and Tax Collector Beatrice G. Marcotte; Treasurer Henry C. Holt; Auditors, Willis A. Baker and Lionel Cote; Library Trustee for 3 years, Nellie Averill; Trustee of Trust Funds for 3 years, Robert G. Kimball; Overseer of Poor, Marian M. Marcotte; Chief of Police, Norman H. Marcotte.

At the open meeting all officers were given the oath of office as prescribed by law except Trustee of Trust Funds who was not present at that time.

The adjourned Town Meeting opened with Kendall Chase Moderator pro-tem at 7:24 p.m.

John Hoar, Sr. made a motion that the reading of the warrant and the budget be dispensed with at this time. The motion was put to a vote and carried.

Article 2: Under this article the budget was discussed.

Article 3: Included in the budget.

Article 4: Included in the budget.

Article 5: Lionel Cote made a motion to accept this article as read, the motion was put to a vote and passed in the affirmative.

Article 6: Earl Arquette made a motion to accept this article as read. Several amendments were made to this article

but were withdrawn or defeated so a vote was taken on Mr. Arquette's original motion and passed.

Article 7: John Bonenfant made a motion to accept this article. This motion was put to a vote and passed.

A question arose as what roads in Epping were Class V roads and Mahlon Burttt answered the question saying any road in Epping is a Class V Road.

Article 8: Willis A. Baker made a motion to adopt this article. The motion was put to a vote and passed.

Article 9: A motion was made to accept this article. It was put to a vote and carried.

Article 10: Earl Arquette made a motion to accept this article as read. It was put to a vote and carried.

Article 11: Willis A. Baker made a motion to accept this article as read. It was put to a vote and the motion carried.

Article 12: Earl Arquette made a motion to table article 12 and 13 and continue on to article 14 and explained the reason for it. This motion was put to a vote and carried.

Article 13: This article tabled by vote.

Article 14: Nominations were opened by the Moderator for 3 men to be elected to serve as water commissioners. Elected were: Edgar Sewall, 3 years; Robert Chamberlain, 2 years; Brendan Splaine, 1 year.

Article 15: Lionel Cote made a motion to accept this article as read. This motion was put to a vote and carried.

Article 16: Herculano Silveira made a motion to table this article. A vote was taken by show of hands YES — 27 NO — 60. Motion was defeated. Jack Lavoie made a motion to accept this article, a discussion period followed after which a vote was taken on the motion. YES — 52 NO — 60. This article was defeated.

Article 17: Mahlon Burttt made a motion to accept this article. A discussion period followed and several amendments made which were withdrawn. A vote was taken on Mr. Burttt's original motion and passed.

Article 18: Mahlon Burttt made a motion to accept this article as read.

(1) John Hoar amended this to read to delete Dearborn Road and to the house of formerly True Wells. There was a discussion and a vote was taken on this amendment by show

of hands YES — 43 NO — 62. John Hoar's amendment was defeated.

(4) Lionel Cote made a motion to amend this to read beginning after Dr. John Graham west to the Raymond line, and this was put to a vote and carried.

(12) Earl Arquette made a motion to amend this to read, but to continue maintenance of road off Old Hedding road through gravel pit to Delaney property, and this was put to a vote and carried.

(14) John Hoar made a motion to amend this to read, to close road from property of John Warren southerly to Preston house. Discussion followed after which this amendment was put to a vote by show of hands. YES to close 31 NO — 91. The amendment was defeated.

Under article 18 Edward Lavoie made a motion as follows: Gates and Bars in no way to interfere with the use or operation of snow vehicles or snowmobiles so-called and horses. This motion was put to a vote and carried.

John Hoar, Sr. made a motion to amend article 18 to read: The parts of roads existing Class V roads and up to any houses mentioned as a limit of closure subject to gates and bars (but not including driveways) shall be considered as Class V hereafter. This amendment was put to a vote by show of hands YES — 55 NO — 59. The amendment was defeated.

A vote was taken on article 18 as amended by show of hands YES 74 NO 42. The motion carried.

Article 19: Lionel Cote made a motion to accept this article as read. A discussion was held. Mr. Cote amended this article to read to decrease the amount to \$500.00 The amendment was put to a vote and carried as amended.

Article 20: Jack Lavoie made a motion to accept this article. Willis A. Baker made a motion to amend this article to delete the \$200.00 for salary and \$200.00 for operational expenses as this portion of the article was already in the budget. A vote was taken on the amendment and passed. A vote was taken on article 20 as amended and passed.

Article 21: Willis A. Baker made a motion to accept this article. The motion was put to a vote by show of Hands YES 20 NO 69. The article was defeated.

Article 22: Louise Harvey made a motion this article be adopted. This motion was put to a vote and was defeated.

Article 23: Ludwin Proulx made a motion that the selectmen be instructed to issue a supplement to the 1969 Town Report showing the information voted for under article 20 of the warrant at the 1969 Town Meeting as recorded in the minutes of the Town Clerk, namely that the uncollected property tax, head and poll tax and the delinquent water users be published in the Town Report, this supplement with its information to be made available within 30 days to the citizens of Epping. No action was taken on this motion.

A motion was made to accept the budget to be raised by taxes of \$455,258.26. This motion was put to a vote and passed.

Meeting closed.

Beatrice G. Marcotte,
Town Clerk

Selectmen

left to right — Earl E. Arquette, Daniel W. Harvey, Richard F. Sanborn

SELECTMEN'S REPORT

1970 is the beginning of another decade in the history of the Town of Epping.

Many changes have occurred.

The sewer system has been started, and with its completion, Epping will have laid the foundation for its future growth.

The downtown portion can be developed for commercial enterprises.

Multiple story housing for our elderly and low income

citizens is being investigated and encouraged by your Selectmen.

We feel that an Industrial Park will encourage business to locate in our Town.

We are advised by our Planning Board that a Metal Fabricating Company is planning on relocating in New Hampshire. The choice for its new plant will be between Epping and one other town.

Our Town made a major decision in 1970 when it voted not to allow a 600 unit trailer park to be located in Epping.

The Sub-Division, Planning and Zoning Ordinances proved their value during 1970.

1970 has been a year when more citizens have been working together to make Epping a better place to live.

The Selectmen wish to compliment every department of our government for an outstanding job. All departments and committees have worked in harmony. Never have so many citizens worked to improve all elements of the life of Epping.

POLICE REPORT

Epping Police Department
Chief — Norman H. Marcotte, seated
Officers absent — Morel and Coffin

As your Chief of Police, I respectfully submit my report of the EPPING POLICE DEPARTMENT for the year 1970.

Many times the accomplishments of the Department were not very obvious, but I can assure you that the officers of this department have proven to be an outstanding law enforcement team, of which I am proud to be a member.

For the first time in the history of Epping, we have established a Blue Net Work, which is the Police Phones. We now have three phones — one is located in the Town office, one in Officer Preston's home, and one in my home. The police number is 679-8292.

The following is a list of just a few cases this Department has worked on this past year.

Accidents	46
Assists	31
Suicides	1
Stolen Art.	15
Mal. Damage	8
Missing Persons	4
Missing Persons ret.	4
Stolen Vehicles	6
Stolen Vehicles recovered	5
Complaints	67
Breaking and entering	19
Prowlers	3
Messages delivered	14
Shootings	2
Untimely deaths	2
Several Motor Vehicle violations, warnings, and court actions.	

In conclusion I would like to take this opportunity to thank the people of Epping, and the Officers of the Department for their co-operation and support.

Norman H. Marcotte
Chief of Police

EPPING VOLUNTEER FIRE DEPARTMENT

I respectfully submit the annual report of the Epping volunteer Fire Department.

In 1970, the Fire Department responded to 47 calls.

- 6 structural fires
- 3 chimney fires
- 4 miscellaneous fires
- 6 mutual aid calls
- 3 dump fires
- 15 grass and brush fires
- 2 motor vehicles
- 2 oil burner fires
- 2 electric powerline fires
- 4 false alarms
- 1 lost person

IN CASE OF FIRE CALL — 5351

For information about fires, call any of the following:

679-5380 — William Hurley, chief
679-5955 — Robert Galley
679-5544 — Romeo Desjardin
679-5462 — Richard Young
679-8855 — Forrest True

I would like at this time, to thank the members of the RED NETWORK and the Selectmen for their support and assistance the past year. I also wish to thank all who have supported our TRUCK FUND and also thank the FIRE BELLES for their help through the year.

The Epping Volunteer Fire Department consists of 40 men at this time, and I especially want to thank these men who give freely of their time and assistance so unselfishly to the Fire Department.

Respectfully submitted

William L. Hurley

FOREST FIRE WARDEN'S REPORT

I hereby submit my report for 1970. The Epping Volunteer Fire Dept. responded to 11 brush fires and 5 spot fires of less than 5 square feet in area. This is a record in which all residents deserve credit for obtaining.

I wish at this time to remind everybody that outside burning adds to the air pollution problem and in the near future will probably be discontinued by State and Federal Authorities. Disposing of rubbish by burial and town dump would show our concern for a cleaner air in our town.

I wish also at this time to thank all residents for obtaining fire permits and to remind you they must be obtained again upon the depletion of the present snow cover.

Respectively

Robert Galley

Forest Fire Warden
Epping, N.H.

LIBRARY REPORT

As your new librarian, I want to thank the Trustees of the Harvey-Mitchell Memorial Library, Mrs. Robert Kimball, Mrs. Arthur Averill, and Mr. Richard Sanborn, for the opportunity of serving the citizens of Epping in this position.

This first three months as your librarian have been very interesting ones, and I want to thank all who have been patient with me while I am learning more about the work. I have just finished a ten-week course of twenty-five hours of instruction at the University of New Hampshire. This was a course in Programs and Services for Adults and Young A-

adults, and it was taught in a most interesting way by our district consultant, Rachel Sanborn. Both she and Amogene Kimball have been especially generous with their time and help to me in this new work, and I appreciate it, as I do the help given me by others in the community, some of them elementary pupils who have helped in various ways, for example, in decorating the library's Christmas tree at the holiday season. Thanks are also due to the Friends of the Library who have provided voluntary assistance at various times during the year.

I hope that the number of library patrons will continue to increase, for we have many new books, both on current problems of our country, such as in civil rights and in conservation, and other books for general reading for information, inspiration, and entertainment. Lists of new reading are published from time to time in the newspaper as a service to all in the community.

Many of those who borrow books or magazines return them promptly when due, but others do not. Two free renewals may be had upon request, but otherwise it is important to remember that library books are borrowed and should be returned promptly so that others may share them. The time and postage spent by the librarian in notifying borrowers of overdue books cannot be spent in new and useful library services to benefit the community. One community service of this sort, already in action, is the weekly film program for children. The films are lent to us from a state-sponsored film library shared by New Hampshire, Vermont, and Maine. Each week's films are chosen so that one of the films will be for entertainment, while the rest of the program will be instructive and, when possible, timely, such as the films about Washington and Lincoln that are planned for February.

Plans are now underway for a calendar of community activities to be posted at the library, showing the days and hours when town offices are open, when community groups meet, and when special occasions, such as our high school graduation, occur.

To make our library increasingly helpful to pupils, we have recently added several reference books, for example, a ten-volume set of science books has just been put on our shelves. We try to check with the school before ordering such books so that there will not be duplication of materials in the school and town libraries, and so that the type of

reference material will be what the pupils will find especially helpful.

Mrs. Milton Chandler deserves our appreciation and thanks for the many hours of unpaid service she has given the library this year. A great deal of clerical work is required to catalog and otherwise prepare new books to go onto our shelves, and her helpfulness in this, as well as in other parts of the library work, have been of great service to me as a beginning librarian and to you who are library patrons.

Our statistics for circulation of books and magazines for the past year have been tabulated by Alice Langdon, librarian for the first part of this year. Her returning good health is welcome news to the many friends she made as librarian for the past three years.

Respectfully submitted,

Carolyn Lewis

REPORT OF THE HEALTH OFFICER

To the People of the Town of Epping:

During the past year, your Health Officer has been privileged to work with many individuals and groups in the course of his duties.

His activities have ranged from taking water samples — both private and municipal — for analysis in Concord, to issuing permits for the disinterment and removal of remains; from inspection of septic systems to the demolition and/or making safe of dilapidated and dangerous buildings.

In the vast majority of cases where there have been violations of the Law or of Common Sense, there has been ready and prompt compliance with the Health Officer's recommendations. This cooperation has been very much appreciated. In only a small minority of cases has more stringent action been necessary.

Since his appointment, on May 7, 1970, by the Director of the New Hampshire Division of Public Health Services,

upon the recommendation of the Selectmen of the Town of Epping, your Health Officer has enjoyed the utmost backing by these bodies. All Town departments, as well as the New Hampshire Water Supply and Pollution Control Commission in Concord, have readily lent a hand when needed and required. He has been pleased to work with the Planning Board, as well as the Conservation Commission.

We are all striving toward a better community; and, to this end, we must all work toward the prevention, reduction, and elimination of nuisances and other causes of danger to the public health, including possible sources of disease and pollution, loud and protracted noise, and the improvement of housing conditions.

Respectfully submitted,
John Hoar, Jr.
Health Officer

PLANNING BOARD REPORT

Epping Planning Board

seated: L. to R. — Robert Kimball, Marcia Latwen, Dorothy Hall, ex-officio Standing: Robert Oborsky, ex-officio, M. Edward Burr, Earl E. Arquette, rep. Bd. of Selectmen, Patrick Jackson, Chairman

The immediate goal of your Planning Board is to find ways of promoting orderly growth that will hold down Epping's tax rate.

There are two possibilities for accomplishing this: 1.) to enlarge the tax base; 2.) to avoid large increases in schools and other services. The trick is to make No. 1 happen without No. 2.

Our ultimate objective is to involve every citizen in the planning process, so that together we can make the plans which will keep Epping a friendly, uncrowded town ... with good town services ... with job, housing, recreation, educational and other opportunities available to all ... in a setting which is meaningful to all ages, classes and types of residents.

Such a place is called an "integrated socioeconomic unit". This means a town which has rich, poor, middle class. Which has some expensive houses, many medium-priced homes and a few low-cost housing units. Which has industry but also agriculture. Which has a closely built-up downtown or core area and also open fields

and forests on the outskirts. Which has retired senior citizens as well as young families with new babies. Which has some apartment houses along with the majority of single-family dwellings. In other words, a place with room (and essential services) for us all, designed in such a way that we can live together comfortably.

To involve more people in planning the town's future, the Board operates on a committee system. One Board member serves on each along with a number of citizen volunteers. This is what various committees accomplished last year:

INDUSTRIAL DEVELOPMENT — analyzed the pros and cons of bringing new industry here. Recommended the town try to get industry and suggested an industrial park where routes by-pass 101 and 125 intersect. (The Board approved the suggestions. On the town warrant voters are being asked to create an industrial zone of approximately 400 acres; and to establish an industrial development committee to work out details of the park.)

FIRE SERVICES — began studying long-range requirements of our fire department. Will also prepare a map of all standing water resources for potential use in fighting fires. One goal is to qualify property in town for lower fire insurance rates.

SCHOOL NEEDS — restudied the growth factor in our school system, to verify research done two years earlier. Concluded that some new classrooms are essential now at the elementary school; and that within 2–5 years major construction will be required. Recommended two plans, one estimated to cost \$290,000, the other \$400,000. (The Board accepted the well-documented study, which it believes is accurate and well done. But recommended to the School Board that it not undertake major construction until some action has been taken by the town to regulate the influx of mobile homes, which is undermining the tax base and threatens to inflate school population to the point that any new construction could be outgrown before it is ready for use.)

BUILDING CODES — drafted a revision of the present code, written in the 50's, to bring it in line with present day construction techniques and current needs of the town. Included is a plumbing code for use in making connections to the new sewer system; and a proposed formula to regulate new mobilehomes in a way that will allow present residents the opportunity to move into them but restricts a mass influx of new mobilehome families. (A special town meeting is

planned for April or May to vote on this. Several informational meetings and hearings will be held beforehand to explain the changes and the reasons for them.)

During 1970 the Board was bombarded with requests from potential builders or developers who were considering Epping as the site for various projects. Included were apartment houses, factories, mobilehome parks, a medical building and stores. By far the most inquiries were in regard to mobilehomes. And not a single inquiry was received regarding building a house.

One mobilehome park, of 600 units, was put to a vote of the town in November under the zoning (lot size and mobilehome park) ordinance. It was overwhelmingly defeated, 266-15.

For the mobilehome park meeting the Board conducted a study of all housing units on the tax rolls. This revealed that, as of April, there were 120 mobilehomes in Epping and 729 houses. The number of mobilehomes rose from 45 in 1965. Average assessment per mobilehome is \$3,453; per house, it is \$6,589. In the 120 trailers live 123 children. Average tax paid per trailer, before veterans or old age exemptions, is \$193. Cost of educating one child in Epping is over \$600. At present Epping has two mobilehome parks.

A development the Board strongly favors is low-cost housing for senior citizens — especially if it can be built within walking distance of stores and the post office. One proposal is now being studied by a private builder.

One vacancy on the Board was filled, after six applicants were interviewed. The Board passed along data received from applicants to the selectmen, who make all appointments to non-elected town offices. Only one person could be chosen for the vacancy — but two others were added to the Board in ex-officio (non-voting) capacities, as executive secretary and technical advisor. (The other three applicants were put to work by selectmen in other town jobs!)

Planning Board meetings are held alternate Thursday evenings at town hall. They are always open to the public and attendance by one and all is welcomed.

Patrick Jackson, Chairman

Marsha Latwen, Vice Chairman

BRENTWOOD

FREMONT

BOUNDARY OF PROPOSED
EPPING INDUSTRIAL PARK

BUILDING INSPECTOR'S REPORT

1970

At the close of the second year in which the town has had a building inspector we find a substantial increase in the number of new residences that have located in the Town of Epping. The total number of permits issued in 1969 was 15, while 25 were issued in 1970. In addition 10 mobile homes were located and one commercial addition was made without permits being obtained. Approximately 17 mobile homes were added to our mobile parks.

Permits issued were as follows:

- 1 temporary occupancy
- 2 commercial additions
- 3 new commercial buildings
- 1 garage
- 2 dwelling additions
- 1 assembled dwelling
- 5 conventional dwellings
- 1 four-unit apartment building
- 1 mobile home addition
- 8 mobile homes

The total number of new family residences is 45. The total estimated cost of these 45 units is \$270,500, or \$6,011 per unit. If you take 70% of this figure, the 1970 assessed valuation, the amount is 4,208 per unit or \$235.70 tax revenue per family. This figure excludes land assessment.

As for the eleven violations mentioned above, all have been turned over to our Town Attorney for court action. The results of the court decision will be published.

This year end report, in my opinion, is saddening because in order to keep our community stable our assessed valuation must increase at a higher unit rate. May I take this opportunity to suggest that each and every taxpayer look back to 1970 and ask themselves this question — What have I done or neglected to do to bring about this situation? Then most important of all look ahead to the future, your future, your children's future and your neighbors future and ask what can I do to improve it. An apple tree given complete freedom to branch out as it chooses does branch out, but bears little fruit. My years of being observant in both the growth of a tree and that of a town lead me to believe that there is a similarity.

Respectfully yours,
William H. Anderson
Building Inspector

Disbursements exceed receipts: 4,866.10

The Exeter Area Visiting Nurse Association supplies skilled nursing care and physical therapy. Skilled nursing care includes in addition to physical care a great deal of health teaching and health supervision. It covers newborns

and mothers, and crippled children. Also, assistance is given in the understanding of Medicare and Medicaid.

An important aspect of health care is prevention. Acquiring better health knowledge can often prevent accidents, illness, and disease, and save many health dollars.

REPORT OF CONSERVATION COMMITTEE

The major project of the Epping Conservation Commission for the past year has been the development of the River Front Preservation Project.

The first parcel of land for this project was deeded to the Commission by Walter Harvey of the Coleman Oil Company. The land is located at the corner of Mill and Water Street. The land was deeded with the stipulation that it be developed as a park for the citizens of Epping. The Garden Club has accepted responsibility for planning the area as a sitting park known as the Lilac Memorial Park.

Approximately eleven acres in West Epping bordering the Lamprey River above and below the dam was transferred to the Commission by the Selectmen for the purpose of developing a recreation area. Plans now are for a boat ramp, picnic area and hopefully, a swimming area. The U.S. Soil Conservation Service has been consulted to help in the planning.

The School Committee and the local Boy Scout Council will grant an easement to the Commission for developing the nine or so acres that was donated by the late Dr. Abraham Mitchell. Federal funds will be considered for this recreational area.

The tree-planting project, under the supervision of Herculano Silveria, will be initiated in the spring of 1971. The Sewer Commission has granted permission for the lagoons bordering the Lamprey River to be used as the nursery. Mature trees are to be available for future beautification projects.

The next most important assignment has been preparing an inventory index of local soil conditions. Comprehensive maps are being prepared by the Commission assisted by Mrs. Marian Marcotte and Paul Cole. The soil conditions and wetlands maps will be utilized by the Commission, Planning Board and the Selectmen.

An educational program on the objects of conservation has begun at the high school and at the Harvey Mitchell Memorial Library.

The Commission has had only the grant of money of \$250.00 from the Spaulding Potter Fund, for publicity purposes only. Lack of funds has restricted many planned projects.

Future new programs to be considered next season, depending on funds and volunteer assistance, are: solid waste disposal (dump), clean-up of the Lamprey River, recycling and bike paths.

Mrs. Herbert Rauh, Chairman
Mrs. Richard Straw, Treasurer
Mrs. Daniel Harvey, Publicity
Mr. Herculano Silveria

SURPLUS FOODS REPORT

In the past year, Surplus Foods, a Federal Project of the U.S. Department of Agriculture has supplemented the food of 6% of our Towns Population. At the end of 1970, we were serving 160 persons. This figure has more than tripled in the last two years and is increasing every month.

The County now has a Certifying Officer to certify all applicants in Rockingham County. All applicants in every

town must meet with the approval of the Selectmen or Overseer of Welfare and a complete file of all Surplus Food recipients is now maintained by the County as well as the Town.

Mrs. Marion Marcotte
Overseer of the Poor

BOARD OF ADJUSTMENT

ANNUAL REPORT

This is the first report of the Board of Adjustment which was established November 21, 1968.

Its present members are:

Mrs. Clara Montgomery, Secretary

Mr. Harlen Hutchinson

Mr. Willis Baker

Mr. Lionel J. Cote, Chairman

At this time there is one vacancy which we hope to fill promptly.

Our first year was spent on study and comprehension of the Town Ordinances, our purposes as a Board of Adjustment and the proper legal procedures which we must follow.

In our second year, (1970), we continued our study, primarily on the Epping Land Subdivision Regulations. Also we received four applications for variances and conducted hearings for the four applicants, of which three were granted and one was rejected.

WHAT IS THE BOARD OF ADJUSTMENT?

The Town of Epping voted the acceptance of the present ordinance. With this, the people of Epping authorized the Selectmen to appoint members for a Board of Adjustment as required by state statutes. The Board of Adjustment is set up as a board to which a person can go if he feels his problems call for special consideration. The Board is given certain standards and limits from which it can not legally deviate. It conducts its hearings to consider true hardship in terms to the denial of property use that makes property worthless, to consider any injustices, etc.

Our biggest problem, thus far, has been that persons applying for a variance wish it to be acted upon immediately. As an acquaintance to the procedure, as per state law, we must post notices ten days prior to a hearing, send notices to all people who have a direct interest in the case and we need a few days to prepare the proper forms.

We plan to continue, as we have in the past, to be fair to the people of Epping, yet to stay within the spirit and intent of the ordinance.

Board of Adjustment

Epping, New Hampshire

REPORT OF EPPING CIVIL DEFENSE

**Civil Defense Director
Donald Shappell**

Mr. Herculano Silveria retired as Civil Defense Director.

Mr. Donald S. Shappell was appointed Civil Defense Director as of December 1970.

Our purpose will be the operation of an organization that will provide help and protection for both natural and man made courses. In other words, a community action group for the welfare of all, during any serious event, be it fire, wind, flood, man made or other disaster.

In order to provide a community action group, we need the aid of volunteer personnel, specifically:

Medical
Health
Construction
Communication
Transportation

This would be for listing purposes to be utilized only during town disasters.

Donald S. Shappell
Civil Defense Director

Epping Water Commission

L. to R. — Brendan Splaine, Sec.-Treas.; Robert Chamberlain, Chairman; Edgar Sewall, superintendant

It has been nine months since the establishment of the Water Commission. We have spent most of this time in analyzing the Town's situation in respect to the present water system's condition and what we think is necessary for the future.

Although the existing water supply is adequate for the present, it becomes ever increasingly apparent that new sources must be found in order to satisfy the future.

For accomplishments during the past few months, the following can be reported:

1. The well pump was overhauled and continues in good operation.
2. Three hundred feet of pipe was replaced on Pike Street.
3. A new pipe was laid around the corner of Pike and High Streets.

At the start of the year 1971, a separate account will be set up for the sole operation of the Water and Sewer Commission.

SEWER DEPARTMENT

It is quite obvious to all the residents that the sewer project is well under way and we ask all to be patient with the conditions of the roads.

There are several items of interest that can be listed.

1. Edgar Sewell has been appointed "Inspector" for the Sewer Department.
2. The state law that governs the rights of the home own-

ers in regards to the connection to the sewer system will be supplied to everyone concerned prior to June 30, 1971.

3. A new sewer ordinance is being worked on in conjunction with the Planning Board and will be submitted for the towns consideration.
4. We are looking forward to the completion of the sewer system. If everything goes well it should be in operation sometime during the last half of 1971.

Respectfully submitted,
Robert Chamberlain, Chairman
Edgar Sewell, Superintendant
Brendan Splaine, Sec.-Treas.

January 22, 1971

Board of Selectmen
Epping, New Hampshire

Gentlemen:

Submitted herewithin is the report of the annual examination and audit of the accounts of the Town of Epping for the fiscal year ended December 31, 1970.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Water Department, Trustees of Trust Funds, Municipal Court, Sewer Projects, and Health Officer.

FINANCIAL STATEMENTS

The Balance Sheet showing Assets and Liabilities (Exhibit A-1). As indicated therein the Liabilities exceed the Assets thereby creating a Net Debt of \$266,448.73. Comparative Statement of Appropriation and Expenditures (Exhibit A-2) shows a net unexpended balance of appropriations of \$1,839.43. The statement of Estimated and Actual Revenues and Budget Summary. Exhibit A-3 shows a Net increase of actual revenue of \$20,930.20, showing a net budget surplus of \$22,769.63.

DEPARTMENTS

Each official's records are shown in Exhibit B-1 Through J.

AUDIT PROCEDURE

The Accounts and Records of all town officials charged with the custody, receipt and disbursement of Public Funds were examined and audited in accordance with generally accepted auditing standards, and accordingly include such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected taxes was made by mailing notices to delinquent taxpayer as indicated by the Collectors Records. The amount of uncollected taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

It has been noted that uncollected taxes have not been abated that have been carried since 1959. It is recommended that all prior years taxes over three years old should be abated.

I want to extend my thanks to the Officials of the Town of Epping for their assistance during the course of the audit.

Very truly yours,

Wilson P. Dennett – Auditor
Joyce Wildes – Accountant
cd

Wilson P. Dennett

CERTIFICATION OF AUDIT

This is to certify that I have examined and audited the accounts and records of the Town of Epping for the fiscal year ended December 31, 1970. In my opinion the Exhibits included herewithin reflect fairly the financial condition of the town on December 31, 1970, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Wilson P. Dennett – Auditor
Joyce Wildes – Accountant

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Epping in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Epping on Tuesday, the ninth day of March, next at nine of the clock in the forenoon, to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see what sums of money the Town will vote to raise and appropriate for roads, bridges and sidewalks.
4. To see what sum of money the Town will vote to raise and appropriate for Memorial Day expenses.
5. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to authorize the Selectmen to administer, sell or otherwise dispose of any real estate acquired by tax title or otherwise either by private sale or public auction providing that if such property is to be sold at public auction or private sale then the same shall be advertised 15 days in advance of sale with notice thereof posted in three public places. Submitted by Selectmen.
7. To see if the Town will vote to raise and appropriate the sum of \$1,091.43 and the State of New Hampshire to contribute \$7,276.22 towards Class V Construction and for improvements to our town. Submitted by Selectmen.
8. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 dollars for the purpose of a revaluation of property in the Town of Epping by the State Tax Commission, or to authorize the Board of Selectmen to hire a competent appraisal firm approved by the State Tax Commission. Submitted by Selectmen.
9. To see if the Town will vote to raise and appropriate the sum of \$3,651.40 for the purpose of purchasing a Police Cruiser and \$1,200.00 for the purpose of purchasing a portable Radar Unit to be used by the Epping Police Department in the interest of Public Safety. A substantial share of this appropriation may be reimbursed, pending the availability of matching Federal Funds, through the New Hampshire Highway Safety Agency. Submitted by Selectmen and Police Department.
10. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be used to defray expenses by the Epping

Conservation Commission. Submitted by Selectmen.

11. To see if the Town will vote to amend the Zoning Ordinance of the Town of Epping adopted at a Special Town Meeting on October 12, 1968 to establish an Industrial Zone by adding thereto a new Article IA as Follows: Submitted by the Planning Board.

ARTICLE IA

The Industrial Zone shall be the land, containing approximately 350 acres, bounded as follows: On the south by the Brentwood Town Line; on the West by the Easterly side of Martin Road, the Southerly side of Route No.101 By-Pass and the Southerly side of the Boston and Maine Railroad-Fremont Branch; on the North by Epping Sewer District and the Southerly side of the Boston and Maine Railroad-Portsmouth Branch; on the East by lands of Anderson, W.S. Goodrich, Inc., Kitchener and Northrup.

The uses permitted in the Industrial Zone are as follows:

1. Light manufacturing and assembly plants;
2. Research and development laboratories and facilities;
3. Office buildings; and
4. Warehouses

All other uses are prohibited.

12. To see if the Town will vote to abolish the Planning Board, Board of Adjustment, and Building Inspector for the Town of Epping, Submitted by: Carl Stilson, Victor Porter, Phillip Mitchell and others. Not recommended by Planning Board.

13. To see if the Town will vote to abolish the Zoning Ordinance adopted at the Special Town Meeting on October 12, 1968. Submitted by: Carl Stilson, Victor Porter, Phillip Mitchell and others. Not recommended by Planning Board.

14. To see if the Town will vote to abolish the sub-division regulations as authorized at the annual Town Meeting held on March 11, 1969 and now in effect. Submitted by: Carl Stilson, Victor Porter, Phillip Mitchell and others. Not recommended by Planning Board.

15. To see if the Town will vote to recind it's vote of March 17, 1970, to close 19 Class VI roads, subject to gates and bars, as follows: (1) NEW LANE from Prescott Road north and easterly to Dearborn Road. (2) DEARBORN ROAD from the junction of the right-of-way serving the homestead of the late True Wells north and easterly to Nottingham Square Road. (3) BLAKE ROAD from the Volger property north to Nottingham line. (4) STINGY RIVER ROAD from Blake Road west to Raymond Line. (5) FRENCH ROAD from Robert Dodge property west to Nottingham line. (6) A road running northerly along the westerly boundry of property owned by Alice Wilson from Dearborn Road northerly to Nottingham Square Road. (7) LABARRE ROAD from resi-

dence of Dr. LaBarre northerly to termination. (8) A road running westerly from the property of John Crotty to Nottingham line. (9) WITHAM LANE in its entirety. (10) Road from Holt Road easterly to School Street. (11) HIGH ROAD to Lee Town line. (12) A road southerly from Old Hedding Road to the Town Rubbish Disposal Plant to property of Mrs. Delaney. (13) A road northeasterly from Mast Road to Camp Hedding. (14) A road from the former property of John Warren southerly to Camp Ground Road (Route 87) (15) A road northerly from Camp Ground Road to Jacobs-well Road, (16) CHASE ROAD (Range Road) in its entirety. (17) DIAMOND HILL ROAD southerly from North River to Camp Ground Road, (Rte 87). (18) A road from Old Rte 101 southerly to Jenness Road, (19) A road running southerly and easterly from Onessimo property to Beede Road. Submitted by: Carl Stilson, Victor Porter, Phillip Mitchell, and others.

16. To see if the Town will vote to raise and appropriate \$500.00 in support of the Portsmouth Mental Health Clinic. Submitted by Selectmen.

17. To see if the Town will vote to authorize the use of the "Wade Hitchcock Land", so called, by the Fire Department and to permit the Fire Department to erect and construct a building thereon. Submitted by Selectmen and Fire Department.

18. To see if the Town will vote to authorize and empower the Planning Board to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or resubdivision of the site, as provided in R.S.A. 36: 19-a. Submitted by Selectmen and Planning Board.

19. To see if the Town will vote to establish an Epping Development Commission, to consist of three persons to be appointed by and to serve under the direction of the Board of Selectmen; the members shall serve without compensation and shall be appointed initially for one, two and three year terms, and thereafter for a three year term; the duties of the Commission shall be to promote and actively seek desirable light manufacturing, industrial and commercial businesses to locate in the Town and to this end, the Commission shall cooperate with the Epping Planning Board and all other local, state and Federal agencies. Submitted by Planning Board.

20. To see if the Town will vote to adopt the following By-laws relating to the regulation and licensing of motor vehicle race tracks.

BY-LAWS RELATING TO THE REGULATION AND LICENSING OF MOTOR VEHICLE RACE TRACKS.

Pursuant to the provisions of the New Hampshire Re-

vised Statutes Annotated, Chapter 31, Sections 41a and 42, as amended, the Town of Epping does hereby adopt the following By-laws with respect to motor vehicle race tracks operating within the Town:

ARTICLE I:

Motor vehicle race tracks may be open and operating only from April 1 through September 30 of each year, and on the following days and for the following hours:

- a) Friday—6:00 p.m. to 11:00 p.m.
- b) Saturday—1:00 p.m. to 11:00 p.m.
- c) Sunday—1:00 p.m. to 10:00 p.m.

Additional operating days may be granted at the discretion of the Board of Selectmen upon the written application of the race track or operator.

ARTICLE II:

No alcoholic beverages of any kind shall be sold, consumed or allowed upon race track property, and the owner(s) and/or operator(s) of race tracks shall be liable for any violations of this Article II.

ARTICLE III:

Race tracks shall provide at their own expense such police protection and traffic-control officers as the Chief of Police of the Town of Epping may require.

ARTICLE IV:

Race tracks shall provide at their own expense such fire protection equipment and facilities as the Chief of the Epping Fire Department may require.

ARTICLE V:

Race tracks shall reimburse the Town of Epping in full for the cost of all police and fire protection as may be furnished by the Town at the direction of the Chiefs of the Police and/or Fire Departments as provided in Articles III and

ARTICLE VI:

Race tracks shall, during all times they are open to the public and/or operating, provide at their own expense, adequate ambulance service taking into account the kind of activities being carried on and the numbers of persons present.

ARTICLE VII:

Suitable and sufficient sanitary facilities must be provided, including ladies and gentlemen's restrooms with adequate lavatory and washing facilities, and such facilities shall at all times (including non-operating hours) be maintained in good working order and in compliance with State Health, Water Supply and Pollution Control Laws, and other applicable State Laws, local Ordinances, Regulations, and/or By-Laws. It shall be the duty of the Health Officer of the Town

of Epping to enforce the provisions of this Article VIII. The said Health Officer may make such inspections and at such times as he may deem desirable in order to insure compliance with this paragraph.

ARTICLE VIII:

Race tracks shall provide off-street parking space for automobiles to accomodate all the vehicles of those person attending the race track.

ARTICLE IX:

Not later than April 1 of each year a race track owner shall submit to the Selectmen in writing an operating schedule for the ensuing year. The Selectmen may, consistent with the provisions of this Ordinance, make such changes in the racing schedule as they deem proper.

ARTICLE X:

Every motor vehicle which shall be operated upon any motor vehicle race track shall at all times be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise. The engine and power mechanism of every motor vehicle shall be so equipped as to prevent the escape of excessive fumes, smoke, flame, gas, oil or fuel residue. For purposes of the By-laws, a muffler is a device consisting of a series of chambers, or baffle-plates, or other mechanical design for the purpose of receiving exhaust gasses and effectively reducing noise. In adopting the Article, the Town has determined that its provisions are necessary and in the general public interest and welfare to prevent excessive noise and exhaust emissions in the operation of motor vehicle race tracks.

ARTICLE XI:

Owners and/or operators of race tracks shall be responsible for any and all violations of this Ordinance, and it shall be the duty of owners and operators of race tracks to maintain control over the race track premises and operations so as to assure full compliance with the provisions of this Ordinance.

ARTICLE XII:

A fine of \$25.00 may be imposed for each and every violation of this Ordinance. The Board of Selectmen and the Chief of Police are authorized and empowered to prosecute in appropriate courts of law violations of any provisions of this Ordinance.

ARTICLE XIII:

No motor vehicle race track shall be operated within the Town unless the owner shall have, upon application to the Board of Selectmen, obtained a license to operate a motor vehicle race under the provisions of these By-laws. The fee for the granting of a license hereunder shall be \$100.00 an-

nually. All licenses to operate race tracks shall expire one year from the date of issue.

ARTICLE XIV:

The invalidity of any provision of these By-laws shall not affect the validity of any other provision herein. Submitted by Selectmen.

21. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this twenty second day of February, in the year of our Lord nineteen Hundred and Seventy.

SCHOOL WARRANT
STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Epping qualified to vote in district affairs:

You are hereby notified to meet at the Epping Gymnasium in said district on the thirteenth day of March 1971 at 8:00 in the evening, to act upon the following subjects:

1. To determine and appoint the salaries of the school board and truant officer and fix the compensation of any other officers or agents of the district.
2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
3. To choose Agents and Committees in relation to any subject embraced in this warrant.
4. To see whether the district will authorize the construction, equipping, and furnishing of an addition to the Carrie A. Odiorne Junior High School appropriate not exceeding \$293,000.00 therefor, determine how any such appropriation shall be raised—whether by taxation, transfer of available funds or by borrowing and, if by borrowing, to authorize the issuance and sale of bonds of the District under the

Municipal Finance Act or any other enabling authority, and to take any action incidental to or connected with the foregoing matters or any of them.

5. To see whether the district will authorize the purchase, equipping, furnishing and installation of four re-locatable classrooms, appropriate not exceeding \$65,000.00 therefor, determine how any such appropriation shall be raised—whether by taxation, transfer of available funds, or by borrowing and if by borrowing, to authorize the issuance and sale of bonds or notes of the District under the Municipal Finance Act or any other enabling authority, and to take any action incidental to or connected with the foregoing matters or any of them.

6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.

7. To transact any other business which may legally come before this meeting.

Note: The above warrant is unofficial. The official warrant with changes, if any, will be posted at least fourteen days prior to the district meeting.

TREASURER

Elizabeth Bilodeau 327

Germaine Lavoie 239

The Moderator then read the warrant and declared the meeting open for the purpose of taking action on the business at hand:

ARTICLE I To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district. It was VOTED to take action on this article under Article 4.

ARTICLE II To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto. There were no reports to be heard.

ARTICLE III To choose agents and committees in relation to any subject embraced in this warrant. This article was passed over.

ARTICLE IV To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district. It was VOTED that \$456,684.00 be appropriated for the support of schools.

The meeting adjourned at 9:30 p.m.

ADMINISTRATION

Code No. 100 – School Board and District Expenses. Provides for the operation of the School Board and District including:

- A. Salaries of all District Officers
- B. Contracted Services
- C. Other Expenses

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 2,405.00	\$ 2,300.00	\$ 105.00 <u>Down</u>

Reason for Change:

The cost of payroll checks will be carried by the Supervisory Union as the payroll system has been computerized.

Further Item Breakdown of Budget.

Code No. 100 – Administration

	<u>1970 Approp.</u>	<u>1971 Proposed</u>
A-110.1 Salaries	\$ 1,380.00	\$ 1,380.00
B-135 Contracted Services	625.00	625.00
C- 190.1 Other Exp.	400.00	295.00

INSTRUCTION

Code No. 200 – Provides for all costs and salaries directly related to teachers, principals and other persons involved in the instruction program including: Substitutes, professional improvement, a figure for adjustments and new personnel.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$277,719.00	\$306,225.00	\$ 28,506.00 <u>Up</u>

Reason for change:

The addition of a new principal for Grades 1-6 and one new elementary teacher. Also negotiated salaries for school year 1971-72.

Further Item Breakdown of Budget.

Code No. 200 – Instruction

	<u>1970 Approp.</u>	<u>1971 Proposed</u>
Item-210.1 Salaries of Principals	\$ 14,000	\$ 24,000
210.3 Salaries of Teachers	247,136	263,500
210.4/		
210.5 Salaries of Other Personnel	16,583	18,725
Total	\$277,719	\$306,225

Related Costs

Code No. 200 – Provides for costs of operating the instructional program including: textbooks, libraries and audio-visual materials, teaching supplies, contracted services for instruction and other expenses.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 19,585.00	\$ 19,970.00	\$ 385.00 <u>Up</u>

Reasons for change:

Greater emphasis is being put on program development through the materials used in the instructional process.

Further Item Breakdown of Budget.

Code No. 200 – Instruction (cont.) – Related Costs

		<u>1970 Approp.</u>	<u>1971 Proposed</u>
Item– 215	textbooks	\$ 2,450	\$ 4,400
220	Libraries & Audio Visual	3,265	3,320
230	teaching supplies	9,700	9,460
235	contracted services	3,100	1,700
290	other expenses	1,070	1,090
	Total	\$ 19,585	\$ 19,970

HEALTH SERVICES

Code No. 400 – Provides for all costs and salaries directly related to a comprehensive health service program for our schools including: Physical examinations, dental clinic, pre-school clinic and office supplies.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 6,818.00	\$ 9,031.00	\$ 2,213.00 <u>Up</u>

Reason for change:

The increased cost of taking our health service program from part-time to full time. Also, increased costs of pre-school clinic and physical examinations.

PUPIL TRANSPORTATION

Code No. 500 – Comprises all costs of transportation including: Regular day school runs, transportation for special and handicapped children.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 15,800.00	\$ 17,500.00	\$ 1,700.00 <u>Up</u>

Reason for change:

School year 1970–71 is the last year of a five-year contract. It is necessary at this time to negotiate a new contract. The increase is an estimate of what this contract might be.

Further Item Breakdown of Budget.

Code No. 500 – Pupil Transportation

		<u>1970 Approp.</u>	<u>1971 Proposed</u>
Item– 535	Contracted Services	\$ 14,000	\$ 15,000
535	Contracted Services for Special Children	1,800	2,500
	Total	\$ 15,800	\$ 17,500

OPERATION OF PLANT

Code No. 600 – Provides for the costs of operating the buildings of the school system including: Salaries of custodians, supplies, contracted services, heat and utilities.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 25,460.00	\$ 29,660.00	\$ 4,200.00 <u>Up</u>

Reason for change:

Increase the custodial staff to two and one half people. Also estimated

heat costs for additional classroom space.

Further Item Breakdown of Budget.

Code No. 600 – Operation of Plant

		<u>1970 Approp.</u>	<u>1971 Proposed</u>
Item— 610	Salaries	\$ 8,500	\$ 11,700
630	Supplies	2,500	2,500
635	Contracted Services	1,505	1,505
640	Heat for Buildings	6,600	7,600
645	Utilities	6,340	6,340
690	Other expenses	15	15
	Total	\$ 25,460	\$ 29,660

MAINTENANCE OF PLANT

Code No. 700 – Provides for the costs necessary to the maintenance of the physical plant including: salaries, replacement of equipment, repair to equipment, contracted services for maintenance, repairs and other expenses.

1970 Approp.	1971 Proposed	Change
\$ 7,010.00	\$ 9,295.00	\$ 2,285.00 Up

Reason for change:

There are many miscellaneous items which make up this cost. The two major expenses being the repair of the roof of the Central and Jr. High buildings, also the replacement of lighting fixtures in the Central and Watson buildings.

Further Item Breakdown of Budget.

Code No. 700 – Maintenance of Plant

		<u>1970 Approp.</u>	<u>1971 Proposed</u>
Item— 710	Salaries	\$ 1,850	\$ 2,300
725	Replacement of equipment	400	1,335
726	Repair to equipment	350	100
735	Contracted Services for Maint.	3,655	5,530
766	Repair to Buildings	725	—
790	Other Expenses	30	30
	Total	\$ 7,010	\$ 9,295

FIXED CHARGES

Code No. 800 – Provides for costs pertaining to teachers retirement, F.I.C.A., insurance, and Blue Cross/Blue Shield.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 17,000.49	\$ 22,250.37	\$ 5,249.88 Up

Reason for change:

Teachers' retirement and F.I.C.A. are fixed charges determined by salary and government. Blue Cross/Blue Shield will be paid for employees of School District at the rate of 50% of a single membership.

Further Item Breakdown of Budget.

Code No. 800 – Fixed Charges

	1970 Approp.	1971 Proposed
Item— 850.2 Teachers Retirement	\$ 6,100.00	\$ 7,600.00
850.3 F.I.C.A.	8,400.49	10,100.37
855 Insurance	2,500.00	2,500.00
860 Blue Cross/Blue Shield	—	2,050.00
Total	\$ 17,000.49	\$ 22,250.37

SCHOOL LUNCH

Code No. 900 – Provides for those costs necessary to the operation of the school lunch program including: Salaries, Federal monies, District monies.

1970 Approp.	1971 Proposed	Change
\$ 19,500.00	\$ 19,000.00	\$ 500.00 <u>Down</u>

Reason for change:

This program is an IN and OUT item covered by Federal monies and pupil costs.

Further Item Breakdown of Budget.

Code No. 900 – School Lunch

	1970 Approp.	1971 Proposed
Item 910 Salaries	\$ 7,000	\$ 8,500

DEBT SERVICE FROM CURRENT MONIES

Code No. 1300 – Provides for costs of school district indebtedness for major capital expenditures not raised entirely be taxes.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 38,420.00	\$ 41,265.00	\$ 2,845.00 <u>Up</u>

Reason for change:

This increase is due to interest on 1971 warrant articles for bond issues.

Further Item Breakdown of Budget.

Code No. 1300 – Debt Service

	<u>1970 Approp.</u>	<u>1971 Proposed</u>
Item– 1370 Principal of Debt	\$ 27,000	\$ 22,000
1371 Interest of Debt	11,420	19,265
Total	<u>\$ 38,420</u>	<u>\$ 41,265</u>

EXPENSES TO OTHER SCHOOL DISTRICTS OR ADMINISTRATIVE UNITS— IN THE STATE

Code No. 1477 – Provides for costs of tuition of students to other School Districts and Epping's share of Supervisory Union No.14 expense of operation.

<u>1970 Approp.</u>	<u>1971 Proposed</u>	<u>Change</u>
\$ 10,721.51	\$ 16,953.63	\$ 6,232.12 <u>Up</u>

Reason for change:

Increase in Supervisory Union No.14 personnel and space requirements as voted by the Supervisory Union Boards. Also the tuition costs of two students to attend the Raymond School Dist.

Further Item Breakdown of Budget.

Code No. 1477 – Expense to other School Districts & Administrative Units

	1970 Approp.	1971 Proposed
Item 1477.1 Tuition to School Dist.	\$	\$ 1,132.00
1477.3		
1477.3 Supervisory Union Exp.	10,721.51	15,821.63
Total	\$ 10,721.51	\$ 16,953.63

TUITION TO OTHER THAN PUBLIC SCHOOLS

Code No. 1479 – Provides for the costs of tuition of special & handicapped children to attend special schools

1970 Approp.	1971 Proposed	Change
\$ 7,200.00	\$ 8,932.00	\$ 1,732.00 Up

Reason for change:

The tuition costs for special schools have gone up and the School District has more children in this category than in 1970. The School District has the following numbers of children attending special schools:

4 children attending Rockingham County Spec.

Tuition – \$950.00 ea. \$ 3,800.00

5 children attending Great Bay Spec.

Tuition – \$800.00 ea. 4,000.00

1 child attending Crotched Mount Spec.

Tuition – \$566. 566.00
(state ave.)

1 child attending Portsmouth Spec.

Tuition – \$566. 566.00
(state ave.)

Total \$ 8,932.00

GRAND TOTALS

SUPERINTENDENT'S REPORT

To the Citizens of Epping:

I would like to begin this annual report by drawing your attention to that section of this publication entitled "School Board Report 1970-71" and in particular, to the enrollment graph and financial review which are especially pertinent and meaningful.

In commending the board for their presentation we should also recognize the excellent work being done by the Educational Sub-committee of the Epping Planning Board on behalf of education in Epping. The cooperative spirit shown by the school board and this sub-committee promises successful educational growth in this community.

The school year 1970-71 began with a larger than usual staff turnover—approximately 22%. Nevertheless, with a fine educational organization already firmly established, a continuation of good performance was assured for the year. Increased services in guidance, health, art, music, and physical education, coupled with the constant up-dating of the more academic offerings make the present Epping school system very solvent and no longer in the position to be seriously affected by above-normal teacher turnover.

Creating a much more serious problem was the 10% increase in enrollment last September. The task of assigning 50 additional pupils to already crowded facilities was difficult indeed. A similar increase next September, without additional space would be disastrous. Already in use as classroom space are storage areas, hallways, the cafeteria, library, and boiler rooms. It has even been ridiculously suggested that the kitchen be converted into classroom space! In other words, even with the four-room addition to the junior high school just three years ago, we are still without essential space.

Therefore, I certainly endorse the school board's recommendation to purchase four re-locatable classrooms and to install these at the Central School. This would provide the necessary space to house grades 1-6 at that facility again, and would also make it possible to handle the ever-increasing numbers in grades 7-12 at Watson Academy and the Junior High School. This recommendation has also been approved by the Educational Sub-committee of the Epping Planning Board.

I support rather enthusiastically two other school board

recommendations—an increase in the base salary for our teachers from \$6,100 to \$6,300 and the employment of a separate elementary school administrator. A \$6,300 base for beginning teachers with a Bachelor's Degree is already considerably out-dated and, any consideration of continuing in Epping with only one administrator for grades 1—12 is totally unrealistic.

Assistant Superintendent of Schools Frank Games draws our attention to another important item when he states:

The New Hampshire State Board of Education has developed a program of minimum standards to be applied to all public elementary schools. School Board members have been given copies of the final draft which sets the effective date for implementation of the minimum standards as September 1, 1972. Our recent meeting with Mr. John Economopoulos, Consultant for the State Department of Education in Elementary School Services, and the subsequent conference with the elementary principals in Supervisory Union No. 14, points up some of the considerations each district must face by September 1972.

1. The local school philosophy and objectives should be developed cooperatively with the staff and community. It should have the formal approval and support of the district school board.
2. The local principal shall submit a statement of the philosophy and objectives to the Superintendent of Schools in time to meet the June 1971 deadline of the State Department of Education.
3. The elementary curriculum and staff will need to be evaluated in light of the "Minimum Standards".
4. In the curriculum the prescribed subjects include art, health, language arts, mathematics, music, physical education, and social studies. It will be necessary to submit a written report to show what opportunities are being offered to the pupils in each of the above areas.
5. Basic services must be established in the areas of guidance, health, library and special education for handicapped children. The evaluation of the present services and the plans for the future must be filed with the State Department of Education before September 1972.
6. The staffing of each elementary public school will create a problem for many of our smaller schools. A written policy statement identifying the nature of the work expected of all teaching personnel as well as their duties and responsibilities

ties must be a part of the local school board policy. In some schools in our union it may be necessary to share special services and staff to meet the minimum standards.

In closing, I once again wish to thank the dedicated school board, administrators, teachers, and all school personnel for their continued cooperation in helping to make the difficult task of being superintendent in six different towns, a more enjoyable one.

Francis C. Wilson
Superintendent of Schools

SCHOOL BOARD REPORT 1970-71

School Board

L. — R. — Francis Lavoie, Ann Burtt, Robert Wadleigh

This year has been a year of significant accomplishments for the Epping school system. Actions taken by the school board should improve existing conditions of our physical plants, educational program, and administrative functions.

Full Comprehensive High School — Grades 7-12

As a result of the actions at the 1970 school district meeting, certain deficiencies in the Epping school system were corrected and these corrections obtained the full comprehensive rating for our high school from the New Hampshire State Department of Education for the school year 1970-71.

New Administrative Arrangement for Grades 1—6 and 7—12

This year the School Board adopted the plan of having two principal administrative positions in the school system. This will be effective for the school year 1971—72. This will permit greater attention to curriculum development and personnel policies.

Supervisory Union Staff Increases

In order to provide greater efficiency in business practices, it was voted by the Supervisory Union Board to add an Assistant to the Superintendent in charge of budgeting, accounting, and business practices. This was done to meet the growing demands on the business office—an organization now handling \$2,700,000.00 annually. This addition to staff will take effect July 1, 1971.

Educational Policies Formulation

The Epping School Board is undertaking the task of organizing their policies into a single file. By accomplishing this task, the Board intends to increase the awareness of its educational objectives and the degree to which they are being achieved. This task is approximately 75% complete at this time.

School Needs Study Committee—A Sub-Committee of the Epping Planning Board

Entering a decade of rapid change, in which our schools will be faced with major problems, it is imperative that the town capitalize on the talent it has to study carefully the direction it will take in the coming years. Throughout the past three years the School Needs Study Committee has developed a means of monitoring the changing conditions in the schools. With fact-finding, careful study and discussion, it has and will continue to observe and make recommendations about the conditions in our schools.

Enrollment — See school Enrollment Graph 1958—70
on page 103

Finances

During the past three years the Epping school budget has increased 16.6%, years 1966—67 to 1967—68; 4.3%, years 1967—68 to 1968—69; and 16.0%, years 1968—69 to 1969—70. During these same periods the median annual increase in school budgets state-wide has been 17.3%, 14.9%, and 17.3% respectively. At the same time, the amount of state and federal support has diminished in proportion to the total needs of the community which increases the burden of

the local taxpayer. Epping is not alone in this regard but shares these fiscal problems with most other communities in the State.

This year the school board's major effort has been directed towards maintaining a quality school system while being ever conscious of the increasing financial burden on the town.

The budget this year reflects the continual effect of inflation and the results of competition with other school districts. The increase for all new or improved school conditions reflects approximately 7% of this total budget. The school board has made every attempt to keep the budget to the lowest minimum consistent with quality education.

Epping School Board

Chairman

Francis J. Lavoie
Ann P. Burt

EPHING PLANNING BOARD REPORT

Subject: The Planning Board's recommendations to the School Board concerning a proposed building program.

Reference: The Epping School Needs Study Committee's final report of 1970 proposing the two following methods of solving the impending need for additional space:

A. — A comprehensive longer term plan in excess of \$425,000.00

B. — The same basic plan divided into two steps, the first step being in excess of \$250,000.00

Conclusions: The growth rate of the past few years and the projections for the future shows a strong need for more space in the near future.

Proposal "A" is financially unfeasible at this time.

A large scale temporary housing program should be avoided. This is not to be confused with permanent pre-engineered steel buildings or other types of permanent construction at a lower cost.

Proposal "B" is therefore the most logical solution to be considered by the Planning Board.

The Planning Board is proposing the establishment of an Industrial Park and also is seriously considering proposals for

further restriction of low cost, low tax housing. If this is accepted by the Town, the expected result would be to create a much more favorable tax picture that could better justify and support a bond issue.

Decision: It is recommended by the Planning Board that proposal "B" is kept under consideration and study for presentation to the School District.

It is also recommended that the proposal be delayed for a period of time to better judge the effect of the Industrial Park and other new ordinances, if accepted.

It is further recommended that one or two of the temporary type classrooms at the elementary school and other necessary modifications of the existing plant to "buy" a delay would not be unreasonable.

Epping Planning Board

Robert G. Kimball

REPORT OF SCHOOL NEEDS STUDY COMMITTEE

Purpose of School Needs Study Committee: To investigate the recommendations of the Planning Board School Study presented in March 1969; to study the present school housing problems, curriculum needs, pupil enrollment projections; and to develop a master plan for the future school needs.

A possible solution for meeting future housing needs is as follows:

Odiorne Junior High School:

A. Construct additions in two phases.

1. First Phase — 1971—72
2. Second Phase — 1974—75, or 1975—76 (when needed)

B. Make certain revisions to the existing building which will enable this facility to accomodate 350 pupils at the secondary level.

C. A 350—pupil Secondary School will require the following facilities:

Facility	Present Building	New
11 Classrooms	6 Classrooms	5
2 business	—	2
1 language	—	1
science	1 (remodel existing)	
homemaking	Use Existing	
shop	Use Existing	
cafeteria	Use Existing	
art	—	1
music	—	1
resource center (library)	—	1
physical education	Use Existing	

Construct new administration area including 2 offices, 1 conference room, and room for clerical help and health office. A new teachers' room would be provided adjacent to the Resource Center.

Total new rooms — 11

Construction:

A. First phase — 6 rooms (1971-72)

1. Resource Center
2. Music
3. Four Classrooms

B. Second Phase — 5 rooms (1975-76)

1. Remodel science area to include science from Watson
2. Art
3. Business — 2 rooms
4. Language
5. One Classroom

The above solution would probably house the students until 1978—79 (possibly until 1980). At that time it appears that additional facilities will be required. The need could arise sooner if more rapid growth is realized than is shown in the projections.

When it is necessary to provide more facilities, other possibilities should be studied. This depends entirely on where the school growth takes place and at what level.

1. Construct a new elementary school to house grades 3—6 (Central School would be used to house Grades K-2).
2. Add more space to Odiorne School.
3. Study co-operative/regional arrangement with neighboring communities with this building serving as a Regional High School or Middle School.

School Needs Study Committee

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

October 30, 1970

Summary of Findings and Recommendations

The School Board
Epping School District
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Epping School District for the fiscal year ended June 30, 1970, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer, School Lunch Program and Student Activities Fund.

Financial Statements

Comparative Balance Sheets: (Exhibit A-1)

Comparative Balance Sheets as of June 30, 1969, and June 30, 1970, are presented in Exhibit A-1. As indicated therein, the Net Debt of the District decreased by \$20,840.84, from \$332,249.50 to \$311,714.72, during the fiscal year ended June 30, 1970.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Decreases in Net Debt:

Net Budget Surplus	\$ 1,285.28	
Bonds & Notes Paid		
during year	27,000.00	
		\$ 28,285.28

Increase in Net Debt:	
Surplus Used to Reduce	
1969-70 School Tax	7,444.44
Net Decrease in Net Debt	\$ 20,840.84

Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1970, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), an unexpended balance of appropriations of \$2,468.09, less a revenue deficit of \$1,182.81, resulted in a net budget surplus of \$1,285.28.

Treasurer

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1970, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of June 30, 1970, is included in Exhibit B-2.

Other Department and Agencies

School Lunch Program: (Exhibit C)

A statement of the School Lunch Program account is included in Exhibit C.

Student Activities Fund: (Exhibit D)

A statement of the Student Activities Fund for the fiscal year 1969-70 is contained in Exhibit D.

School Tax Account: (Exhibit E)

Exhibit E presents a statement of the School District Tax account with the Town of Epping. As indicated therein, at June 30, 1970, the School District had received the total of the 1969-70 School Tax in the amount of \$311,191.03.

Long Term Indebtedness: (Exhibit F)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1970, showing annual debt service requirements, is contained in Exhibit F.

General Comments

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$6,159.16, from \$7,444.44 to \$1,285.28, during the fiscal year ended June 30, 1970, as

shown herewith:

	June 30, 1969	June 30, 1970
Total Assets	\$10,693.94	\$ 9,382.45
Current Liabilities	<u>3,249.50</u>	<u>8,097.17</u>
Current Surplus	\$ 7,444.44	\$ 1,285.28

The factors which caused the decrease in current surplus are indicated hereafter:

Decrease in Current Surplus:

Surplus used to reduce 1969-70

School Tax \$ 7,444.44

Increase in Current Surplus:

Net Budget Surplus 1,285.28

Net Decrease in Current Surplus \$ 6,159.16

School District Treasurer:

The School District Treasurer should adopt the use of a note, bond and coupon register as prescribed by R.S.A. 33:12.

In keeping with good business procedures, the treasurer should reconcile monthly bank statemnets with the cash book balance on a regular basis.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in the audit report is optional, at the discretion of the School Board.

We extend our thanks to the officials of the Epping School District for their assistance during the course of the audit.

Yours very truly,

Frederick E. Laplante
Director
Division of Municipal Account-
ing State Tax Commission

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

October 30, 1970

Epping School District

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Epping School District for the fiscal year ended June 30, 1970.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1970, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Frederick E. Laplante

Director

Division of Municipal Accounting
State Tax Commission
